

APPLICATION GUIDELINES
JAPANESE GOVERNMENT (MEXT) SCHOLARSHIP FOR 2023
(JAPANESE STUDIES STUDENTS)

The Ministry of Education, Culture, Sports, Science and Technology (MEXT) of Japan offers scholarships to international students who wish to study for a period of one year at designated Japanese universities as Japanese Studies Students in order to deepen their understanding of the Japanese language, Japanese affairs and Japanese culture under the Japanese Government (MEXT) Scholarship Program as follows.

1. QUALIFICATIONS AND CONDITIONS

MEXT accepts applications from international students for study in Japan who satisfy the following qualifications and conditions. Its aim is to foster human resources who will become bridges of friendship between the grantee's country and Japan through study in Japan and who will contribute to the development of both countries and the wider world.

(1) Nationality: Applicants must have the nationality of a country that has diplomatic relations with Japan. An applicant who has Japanese nationality at the time of application is not eligible. However, persons with dual nationality who hold Japanese nationality and whose place of residence at the time of application is outside of Japan are eligible to apply as long as they choose the nationality of the other country and renounce their Japanese nationality by the date of their arrival in Japan (the acquisition of student status). The First Screening must be conducted at the Japanese diplomatic mission in the country of which the applicant chooses the nationality.

(2) Age: In principle, applicants must be born between April 2, 1993 and April 1, 2005. Exceptions are limited to cases in which MEXT deems that the applicant could not apply within the eligible age limit due to the situation or circumstances of the applicant's country (military service obligation, loss of educational opportunities due to disturbances of war, etc.) Personal circumstances (financial situation, family circumstances, state of health, circumstances related to applicant's university or place of employment, etc.) will not be considered for exceptions.

(3) Academic Background: Applicants must satisfy the following three conditions:

- ① Applicants, in principle, must be undergraduates at foreign (non-Japanese) universities at the time of arriving in and leaving Japan;
- ② Those who are majoring in fields related to the Japanese language and/or Japanese culture. On the other hand, those who are majoring in fields of study other than Japanese language and culture (such as engineering, economics, agricultural science, architecture, and art) and pursuing complementary studies in Japanese language and culture are ineligible;
- ③ Those who have studied the Japanese Studies at a university for a total period of one year or more as of September 1, 2023. Those who have studied Japanese Studies at another university should submit documents (transcript of grades at another university, etc.) which can verify that the applicant has studied Japanese Studies for a total period of one year or more at the attended universities including current university.

(4) Japanese Language Ability: Applicants must have Japanese language ability sufficient for receiving education at a Japanese university in Japan.

(5) Health: Applicants must submit a health certificate in the prescribed format signed by a physician attesting that the applicant has no physical or mental conditions hindering the applicant's study in Japan.

(6) Arrival in Japan: In principle, applicants must be able to arrive in Japan by the designated period (usually September or October) between the day two weeks before the course starts and the starting date of the course. If the applicant cannot arrive in Japan during the specified period for personal reasons, travel expenses to Japan will not be paid. Excluding cases in which MEXT deems as unavoidable circumstances, the applicant must withdraw from this scholarship program if the applicant cannot arrive in Japan by the end of the specified period above which decided by MEXT or the accepting university.

(7) Visa Requirement: An applicant shall, in principle, newly obtain a "Student" visa at the Japanese diplomatic mission located in the applicant's country of nationality, and enter Japan with the newly obtained residence status of "Student." Accordingly, even if the applicant already has other residence status ("Permanent resident," "Long-term resident," etc.), the applicant must newly obtain a "Student" visa and re-enter Japan. The applicant should be aware that the original resident status of "Permanent resident" or "Long-term resident," might not be necessarily granted after the expiration of the status as a MEXT Scholarship student. Moreover, it should be noted that if the grantee comes to Japan without newly obtaining the "Student" visa, the provision of the scholarship will be stopped.

*Please note that when the tuberculosis screening program is being conducted, the nationals of countries designated by the Ministry of Health, Labor and Welfare will be required to submit a tuberculosis clearance certificate when applying for a visa.

(Note) The start date of the tuberculosis screening program for MEXT Scholarship Students is currently being arranged.

(8) Non-Eligibility: Those who meet any one of the following conditions are ineligible. If identified ineligible after being selected as a scholarship student, he/she must withdraw from the scholarship:

- ① Those who are military personnel or military civilian employees at the time of their arrival in Japan or during the period of the payment of the scholarship;
- ② Those who cannot arrive in Japan by the last date of the period specified by MEXT or the accepting university;
- ③ Those who are previous grantees of Japanese Government (MEXT) Scholarship in the past (including those who withdraw from the scholarship program after the arrival in Japan). It does not apply to those receiving the Monbukagakusho Honors Scholarship for Privately-Financed International Students in the past;
- ④ Those who are currently also applying for another program for which scholarship payments will begin in fiscal 2023 through a Japanese Government (MEXT) scholarship scheme including University Recommended Japanese Government (MEXT) Scholarship for Japanese Studies Students;
- ⑤ Those who are already enrolled in a Japanese university or other institution with a residence status of "Student," or who are going to be enrolled, or plan to enroll, in a Japanese university or other institution as a privately-financed international student from the time of application to the MEXT scholarship program in the applicant's country until the commencement of the period for payment of the MEXT scholarship. However, this stipulation does not apply to privately-financed international students who, even though they are enrolled, or are planning to enroll, in a Japanese university or other institution, verifiably complete their studies before the start of the scholarship payment period, return to their home country at the time of the scholarship application, and newly acquire the "Student" residence status and come to Japan;
- ⑥ Those who are planning to receive scholarship money from an organization other than MEXT (including a government organization of the applicant's country) on top of the scholarship money provide by MEXT after

the start of the scholarship payment period;

- ⑦ Holders of dual nationality at the time of application who cannot verify that they will give up Japanese nationality by the time of their arrival in Japan (the acquisition of student status);
- ⑧ Those who are found to have attempted or actually committed any kinds of cheating prohibited by the examiner during the written examination of the First Screening.

Those who are uncertain about returning and continuing to study after the end of the scholarship period should not apply for this program.**

(10) Others: MEXT Scholarship will be granted those who are willing to contribute to mutual understanding between Japan and their home country by participating in activities at schools and communities during their study in Japan while contributing to the internationalization of Japan. They shall also make efforts to promote relations between the home country and Japan by maintaining close relations with the university attended after graduation, cooperating with the conducting of surveys and questionnaires, and cooperating with relevant projects and events conducted by Japanese diplomatic missions after they return to their home countries.

2. PLACEMENT AND STUDY IN JAPANESE LANGUAGE AND CULTURE AT UNIVERSITIES

(1) The study/training is implemented only in the university study courses listed in the “*Course Guide of Japanese Studies Program.*” This *Course Guide* is available from the MEXT’s website.

(2) MEXT, in consultation with the universities concerned, will decide on the university in which each grantee shall be enrolled by taking into consideration his/her Japanese language ability, the result of written examination and specialized courses he/she wishes to take (the university may make direct inquiries to the applicant during the screening process). Objections regarding university placement will not be accepted. **If the accepting university has yet to be determined by the specified period of time (by August 15th, 2023), the applicant will be rejected.**

(3) The study at universities will be conducted in Japanese.

(4) Specialized Japanese language and Japanese culture study will be divided into the following two courses, depending on the objective of the study:

- (a) A course intended mainly to study about Japan and Japanese culture
- (b) A course intended mainly to improve Japanese language proficiency

The specific course contents vary with each university, but the grantees will take special lectures on Japan, Japanese culture, and Japanese language and specialized practical study. They might also take classes in the departments related to his/her individual major.

(5) A grantee who has completed a specified course at the accepting university will be given a certificate from the university. Please be aware that the purpose of this scholarship program is not to obtain an academic degree. The

grantee, therefore, shall return to the home country by the end of the final month of the scholarship period after the completion of the course and resume his/her study in Japanese language and culture at the undergraduate program of their institution which applicants had enrolled at the time of the arrival in Japan. **If a grantee fails both conditions, he/she may be ordered to return the entire amount of “4. SCHOLARSHIP BENEFITS” paid during the scholarship period.**

3. PERIOD OF SCHOLARSHIP

The scholarship period is the necessary period for the completion of the accepting university’s study course, which should be within one year from October 2023 (or the starting month of the course). If the term start date (enrolment start date) is on September 1, 2023, the scholarship period will start in September 2023. However, if the term start date (enrolment start date) is on or after September 2, 2023, the scholarship period will start in October 2023. Extension of the scholarship period is not permitted.

4. SCHOLARSHIP BENEFITS

(1) Allowance: After arrival in Japan, 117,000 yen per month will be paid. A supplemental regional allowance of 2,000 or 3,000 yen per month will be added to the monthly scholarship amount for the grantees studying or conducting research in specially designated regions. Due to the situation of the Japanese Government’s budget, the amount of payment may be subject to change each fiscal year. If a grantee is absent from the university for an extended period, the scholarship shall be suspended for that period.

(2) Education Fees: Fees for the entrance examination, matriculation and tuition at universities will be paid by MEXT.

(3) Travel Expenses

① **Transportation to Japan:** For grantees who come to Japan within the fixed period stipulated in 1. (6) “Arrival in Japan” above, in principle, MEXT stipulates the travel schedule and route, and provides an economy-class airline ticket for the flight from the international airport closest to the grantee’s residence (in principle, the country of nationality) to an international airport in Japan used on the normal route to the accepting university. The travel schedule change or route change is not allowed after provision of airline ticket. The grantee shall bear at his/her own expense all costs related to domestic travel from the grantee’s residence to the nearest international airport, airport taxes, airport usage fees, special taxes necessary for travel, travel expenses within Japan (including airline transit costs), travel insurance expenses, carry-on luggage or unaccompanied baggage expenses, etc. The grantee shall also bear at his/her own expense travel and lodging costs incurred in a third country if the grantee must travel to a third country before coming to Japan for visa purposes because there are no Japanese diplomatic missions in his/her country, if there are no direct flights from the grantee’s country of residence to Japan. MEXT will provide an economy-class airline ticket from the grantee’s country of residence to the said third country, and from the third country to an international airport in Japan used on the normal route to the accepting university. In principle, the address given in the space for “Your address before departure for Japan” on the application form shall be recognized as the “residence,” and the airline ticket will be arranged for a flight from the international airport nearest to that address. Except for cases when the grantee must travel to a third country to obtain a visa, MEXT will not provide an airline for cases of travel to Japan from a country other than the grantee’s country of residence due to the grantee’s personal circumstances. Moreover, if, due to personal circumstances, the grantee comes to Japan outside of the fixed period stipulated in 1. (6) “Arrival in Japan” above, the travel expenses will not be provided.

② **Transportation from Japan:** Based on the application by the grantee, MEXT will provide an airline ticket to grantees who shall complete the study course at the accepting university and return to the home country by the end of the final month of the scholarship period (See “3. PERIOD OF SCHOLARSHIP”) designated by MEXT. MEXT, in principle, shall provide an economy-class airline ticket from an international airport in Japan used for the normal route to and from the accepting university to the international airport (in principle, in the country of nationality) nearest to the returning grantee’s residence. The travel schedule change or route change is not allowed after provision of airline ticket. The grantee shall bear at his/her own expense all costs related to travel from the grantee’s residence in Japan to the nearest international airport, airport taxes, airport usage fees, special taxes necessary for travel, travel expenses within the country of nationality (including airline transit costs), travel insurance expenses, carry-on luggage or unaccompanied baggage expenses, etc. If a grantee returns to the home country before the end of the scholarship period due to personal circumstances, or reasons stated in “5. SUSPENSION OF PAYMENT OF SCHOLARSHIP”, MEXT will not pay for the returning travel expenses.

If a grantee will also not return to his/her home country by the end of the final month of the scholarship period, or will not resume his/her studies at the undergraduate program of their home institution which had enrolled at the time of the arrival in Japan, MEXT will not pay for the returning travel expenses.

5. SUSPENSION OF PAYMENT OF SCHOLARSHIP

Payment of the scholarship will be cancelled for the reasons given below. Should any of the following reasons apply, the grantee may be ordered to return a part of, or all of, the scholarship paid up to that time.
